

WESTERN REGION
State of the Region – October 2007

Side # 1

Slide #2

Slide #3

**Mr President, Members and Guest, Good Morning.
It is another great day to be a Warrant officer.**

Slide # 4

THE WESTERN REGION'S TEAM

Slide # 5

DIRECTOR: CW4R Harry C Wilson JR
Deputy Director: CW3R Joe Gill
Web Designer: Looking for one

Slide #6

Slide #7

- From the Rocky Mountains to the Pacific Ocean.
- Across the Pacific Through out the Pacific Rim.
- From Alaska to Mexico. **We are the (Wild) Western Region.**

Slide # 8

Please join me in a moment of silence for our long time oldest member, who is no longer with us,
“CW4- Robert (Bob) Voges”

For more years than I can remember Bob was the oldest member present at our
Annual Meeting of the Members, (AMM).

Slide # 9)

The OPTEMPO for the operations in Afghanistan and Iraq plus the Border Missions has caused Major
Challenges to all of our Chapters, **World Wide.**

It is very hard to keep up with all of the out goings and in comings of our members. If you do not
have a good line of communication with your chapters you may not know if members have been
mobilized or returned. It is imperative to have a solid line of communications with your chapter
officers and members.

Slide # 10

As a result many chapters have:

- **Struggled to Stay Alive**

- **Been Unable to Charter**
- **Gone into receivership**
- **Continued as Usual (most of these have Retired Warrants Officers in some of the Chapter Officer position)**
- **Gone to War as a whole.**
- **Have been inundated with:**
 - **AIT Students**
 - **Mobilized Warrant Officer's**

Slide #11)

WESTERN REGION GOALS

FIVE NEW Chapters by Oct 07

1200 members by Oct 07

Meet with all Chapters by Oct 07

Reduce the Non-Affiliated by Oct 07

Have all 19 Current chapters up to USAWOA Standards by Oct 07

Slide #12

Western Region Accomplishments

- **Redesigned the Regional Web Site**
- **The Wild West Review, (WWR), continues in Electronic Circulation**
- **Two-way communications continuing**
- **Chapter visitations continuing**
- **2d annual Region Web Site Contest with the willing chapter receiving a check for \$100.00 from the Director. (For the second year in a row the GoldRush chapter was the winner). It was very close and I have it from very good sources that next year the competition will be really tough.**
- **The Region has had Four (4) Multi-Chapter meetings.**

The First one this year was at the Charter presentation of the Mare Island chapter, the San Francisco Bay Area chapter was also in attendance.

The Second was at the Presentation of the Gold Rush's \$100.00 award for having the Best Web Site in 2006. The Norcal chapter was also in attendance.

The Third Multi-chapter we again in Arizona with the Three Arizona chapters in attendance.

Our Fourth-chapter I believe was the first recorded Multi-chapter in Iraq. The Aloha Chapter spear-headed that multi-chapter with Seven chapters represented.

We have Chartered ONE chapter since the last AMM, (Mare Island, in Vallejo, CA.

Just a note During the Charter presentation they were also presented one of the Don Stivers Warrant Officer print "LET GO" Ser Nr# 489. The majority of their members are members of the 489th TC Boat Company. Isn't that cool?

Slide # 13

At the present time we are working on our first ever chapter in Carson City/Reno, Nevada and in Salem, Oregon. When these two chapters come on line we will have at least one chapter in each state that is within our region. These two chapters should be on line before the next AMM. The Region should also be over 1200 members

Region Recruiting

The recruiting effort has really paid off for our Region. When I was elected to office our total membership within the Region was 981. I then set our goal at 1200 members before this AMM. We are presently at 1019 members.

CHAP	CHAPTER	ACTIVE	NON-AFFI	TOTAL	ACTIVE	NON-AFFI	TOTAL		ACTIVE	TOTAL

Chapter Accomplishments

**The Western region Chapters are so involved in so many things that I can not keep up with them
Samples of some of the items that we are doing are:**

Gives Christmas gifts to patients in VA hospitals.

Assist various communities in putting lags out during the holidays

The chapters also give out many scholarships.

We keep the highways clean

We run Marathons, sponsor car washes, collect food and many other ways to help our military personnel and their families every where

Each of the Western Region's chapters is very active.

I am sure when you hear from the chapters that are here you will be proud of them, as I am.

Slide 17

MY GOAL IS TO KEEP COMMUNICATING AND HELPING WHEN AND WHERE I CAN

THANK YOU

Harry Wilson

Western Region Director
