Dear USAWOA Members,

This year we are holding our annual meeting in the beautiful Greater Salt Lake City area. It is my sincere hope that you will find the meeting personally enjoyable and professionally rewarding. I am aware and grateful that many of you and your guest(s) have taken military PTDY, leave or civilian job vacation time to be present to participate in the meeting. However, I am sure that you will enjoy the many events planned for this week.

On behalf of our Associations' leadership, I wish to offer personal thanks to the members of the Western Region, USAWOA who have worked hard for many months in planning, executing and troubleshooting the many details involved in arranging the meeting. Particular thanks are to CW3 Donna Hardcastle, the Greater Salt Lake Chapter President and CW5 Russ Brewer, the Western Region Director for their personal efforts, guidance and oversight. I also sincerely thank the many other individuals who so ably assisted them to achieve success. Their work had done much to make our meeting successful and your visit enjoyable.

You will find a variety of interesting group participation events on our schedule. There are many opportunities available in this wonderful city. Members of the Western Region, the hotel staff, and the USAWOA leadership are committed to making your visit meaningful and memorable.

I wish you a warm welcome and an enjoyable stay.
