Fact Sheet

United States Army Warrant Officer Association

Life Member Program

Our Association has a Life Member Program that was established shortly after the founding of the USAWOA. Life Members have been, throughout the years, sustaining members of our association. In many cases, they have also been the strong, dedicated leaders of our association at the chapter, region, and national levels. This tradition of Life Member commitment and service continues today.

The dues for USAWOA Life Membership are graduated based on the age of the member when he or she applies for life membership. The rates are:

Age 30 and under:	\$ 800.00	Age 51 - 55:	\$ 455.00
Age 31 - 35:	765.00	Age 56 - 60:	385.00
Age 36 - 40:	685.00	Age 61 - 65:	320.00
Age 41 - 45:	610.00	Age 66 and over:	260.00
Age 46 - 50:	530.00		

Members may make one single payment by cash or charge. Members may also authorize USAWOA to place a charge against a regular credit card for up to a ten-month period. Members who have a Pentagon Federal Credit Union account (Share, Money-Market, Pen-Check, or PFCU-USAWOA Affinity Visa credit card) can authorize a charge to their account for ten (or fewer, as arranged) equal payments for the Life Membership. Life Memberships applications are made on the USAWOA General Purpose Membership (USAWOA Form 600-1). The form can be found at www.penfed.org/usawoa/woa_appl.htm. Application can be made on the form and mailed or faxed in, or they may be made using the "application online" link shown.

During the payment period, regular membership is continued without additional charge. The member remains in good standing, eligible for all services and receipt of the NEWSLINER. Upon completion of the payment period, a special Life Member certificate and distinctive membership card is provided.

The USAWOA leadership and staff thank you for your interest in Life Membership in our fine Association. Choice of Life Membership represents a commitment. You choose to affiliate with USAWOA for the long term, and our Association commits to provide you a lifetime of Representation, Professionalism and Recognition.
