It is with great pleasure that the Warrant Officers Heritage Foundation announces a grant of \$5,000.00 toward the construction of the National Museum of the United States Army.

This grant is made in memory of all our fallen comrades since the establishment of the Army Warrant Officer Corps in the Mine Planter Service on July 9, 1918.

This grant is made possible in a large part by the support of the U. S. Army Warrant Officers Association, its Regions, Chapters, and membership.

The grant is also made possible by donations made directly to the Warrant Officers Heritage Foundation by individuals and organizations.

For the Corps!
