Open Letter to USAWOA Officers & Members Throughout the World

Words alone can not express our grateful appreciation to USAWOA for the response in support of the Challenge issued at the 35th USAWOA Annual Meeting of the Members held in San Antonio, TX in October 2007. The donations that poured in as a result of that challenge up to and including the 36th Annual Meeting in Aberdeen, MD in October 2008 have brought us a long way toward our goal to construct a "Memorial to Our Fall Warrant Officer Comrades." The Foundation, it's Board of Directors and Officers, extend heartfelt thanks to USAWOA, it's National Officers, it's Regions, it's Chapters, and each and every member who donated to the campaign over the past year. For a listing of organizations and individuals making donations see <www.usawoa.org/WOHERITAGE/donor-list.htm>.

We pledge to continue to preserve our rich Army Warrant Officer History, and with your continued support we will be able to do just that! We will continue to update you on our efforts and projects to preserve the history of the Corps in both the NEWSLINER and on our website at <www.usawoa.org/WOHERITAGE>.

For the Corps!
