

USAWOASF/Grantham University On-Line Scholarship Program

The USAWOA Scholarship Foundation (USAWOASF) was created in 2003 to assume administration of the USAWOA scholarship program. The Foundation is pleased to offer a four-year on-line scholarship to Grantham University beginning in school year 2019-2023.

The goal of this portion of the program is to make cost-free on line scholarship awards to the most deserving candidate. Decisions are made by a selection committee and are based on the whole-person concept. This school year we plan to award one four-year on-line scholarship to a deserving applicant. The Grantham University Catalog is available on the USAWOASF Web site and we encourage all to review that document before applying for a scholarship. Both undergraduate and graduate program scholarships are available.

Application packets, utilizing the attached forms and special criteria must be received by May 1, 2019 in order to be considered for this year's program. Completed application packets should be mailed directly to: USAWOA Scholarship Foundation, 462 Herndon Pkwy, Suite 207, Herndon, VA 20170-5235.

Applications will be accepted from association regular members in good standing, their spouses and their children (natural and adopted) and stepchildren (seniors in high school or above). Members must have been a member of the USAWOA for a minimum of six months prior to the date of the application.

All must have a cumulative GPA of 3.0 or higher on a 4.0 scale.

Each application will be rated by utilizing the whole person approach. Each of the above areas must be addressed in detail because failure to do so will result in loss of points in that area and may well move the applicant out of contention for an award. Awards will be announced during the first part of July. Names and photos of selectees will be published in the USAWOA Newsliner and posted on the USAWOASF Online Scholarships Awarded at <http://www.usawoa.org/scholarship/previous-scholarships-awarded/> as soon as possible after the announcement of the awards.
